Please find enclosed one (1) CD-ROM containing the Preliminary Draft Environmental Impact Statement (PDEIS) for the Four Corners Power Plant and Navajo Mine Energy Project. The Office of Surface Mining Reclamation and Enforcement (OSM) is submitting this document for your review prior to publication of the Draft EIS. As a cooperating agency, your input is appreciated. In addition, the draft US Army Corps of Engineers regulatory draft decision document is also available to you upon request.

Please submit your comments on the PDEIS and all requests for supporting information or referenced documents to Marcelo Calle (mcalle@osmre.gov) on or before February 7, 2014. All comments on the PDEIS should be submitted using the PDEIS Review Comment Form included on the CD-ROM.
